The Shakespeare Project
presents

"The Comedy of Errors"

What do you get when you combine a shipwreck, a necklace, a confused wife, and two sets of identical twins? A madcap, rollicking grand farce! Everywhere Antipholus and Dromio go, they seem already to have been there. And the harder they try to unravel the lunacy around them, the more farcical their lives become. It's double the laughter and twice the fun in Shakespeare's zaniest comedy of all time.
